PREVENTING AND RECOVERING FROM RELAPSE: AN OVEREATERS ANONYMOUS WORKSHOP

No matter where we are in our recovery journeys, achieving and maintaining abstinence provides a daily reprieve from the devastating effects of all manifestations of compulsive eating. Unfortunately, relapse is an all-too-common occurrence in Overeaters Anonymous. This workshop explores the causes of relapse and explains how applying the 12 steps and tools of the program can prevent and assist in recovery from relapse.

The leader of this workshop is from Northern California, 13 years abstinent and at a normal weight, 40 years in OA. During relapse weight topped 450 lbs.

AGENDA:

- 2:00 PM** Introduction to the Workshop The leader's story of recovery from relapse. Post "ask-it basket" questions to the zoom chat window (45 min)
